Dear New and Returning Explorer Families,

Welcome to the 2024-2025 school year at Del Sur Elementary! All of us at the **Del Sur Educational Foundation (DSEF)** are excited you are here. As we begin the academic year, we ask you for your support and to donate to the **DSEF “Quest for More”** fundraiser to help our school maintain excellence and provide an enriched academic and social environment for the growth of our students by supporting programs such as:

Your investment in DSEF directly impacts all 1,000 students at Del Sur Elementary as well as **your own kid(s)**. With an **annual investment of more than \$300,000** and countless volunteer hours, DSEF provides funds and volunteer resources to help our students continue to explore, grow and excel.

We are requesting a donation of \$350 per student to help cover the costs of these and additional programs, however, we are honored to receive a donation of any amount. Be sure to ask your company if they have a corporate matching program. We also offer a community sponsorship program for you to highlight your business support! Please go online for more information and to make your donation today:
